Dear Mr. Isaacs;

Thank you so much for sending me the record.
I am very happy to have this new print. As far
as the jacket goes, at the moment I have not
been able to play the record due to the fact
that the remodelling here at the house is not
finished. I still seem to be on the go all the
time.

I have thought of you a good many times and
wondered what you were doing and hope that you
are continuing your good work. With best wishes,

Very truly yours,

Laura Gilpin
