Dear Ms. Michaels;

Your letter has been long unanswered, due to my moving into some new quarters and trying to get myself sorted out and readjusted. I have no recollection of receiving an earlier letter from you, and wonder if I ever got it. I am very interested to know that you are doing a book on Gertrude Kasebier. I have very vivid recollections of her and knew her very well. During the years 1916 to the early 20's, I knew her, and after that date I corresponded with her. I have to ask your indulgence for a little longer so that I can locate my letters from Mrs. Kasebier. Perhaps at that time I could either send you a brief tape cassette of my recollections, which would perhaps be easist for you, too.

I am wondering if you canssadd Mrs. Turner's address, as I am sure you must know it. She is Mrs. Kasebier's daughter. I have a photograph of Mrs. Kasebier, but I don't know who made it, and I will try to do a polaroid copy and send it for Mrs. Turner to identify. This might be of value to you. Thank you very much for your inquiry, and I hope that I may pull it all together very shortly.

Very truly yours,

Laura Gilpin
