Dear Dr. Miller;

Thank you for your letter of January 14. I shall be very glad, indeed, to see you when you return from New York. If you will call me at that time, we can set up a time for a discussion. Van Deren Coke has spoken to me about this and I will be very happy to discuss it with you.

By the time you get back, I shall be moved into my new work-rooms and will, I hope be in better order than I am right now.

Very truly yours,

Laura Gilpin
