Dr. Mr. Ollman and Ms. Pelsenfeld;

Thank you very much for your recent letter regarding the video-tape you have been working on for so long. I am very interested to see the results of all this. I am afraid that I can't sign the release, however, until I have seen the actual tape, as there may be something that I would wish deleted. I am amazed that it is an hour and forty-five minutes long. My cousin, Lewis Allen, will be here within the next two weeks, and he has long worked with film-making. I would very much like for him to see this with me. I hope to hear from you soon.

This letter brings my best wishes to you both, and hopes for a warm holiday season.

Very truly yours,

Laura Gilpin
