Dear Mr. Short;

Thankyou very much for your telephone call and for your order for "The Navaho Fence". I hope that I will be finished within a week and get it to you. You ask about the portraits "The Old Navaho Woman" and "Molian of Redrock". They would be \$100.00 each in an 8 x 10 print and \$150.00 for 11x 14. Prints of this quality are archivally produced. I am not sure that I have prints at the moment of these two portraits, but I can make them at your request.

I hope that you will come down to Santa Fe sometime and I will be very happy to show you my studios and little gallery. With best wishes,

Very truly yours,

Laura Gilpin
