Dear Miss Troy;

Thank you for your note. The last time I sent in a billing to Mr. Burke, I included the print of yours specifically as a separate thing. Enclosed please find a properly filled out bill for you. I have not heard a word from Mr. Burke since he was here and I am anxious to get this account settled, as soon as I conveniently can.

Everything is very busy here and I may be going off to the Canyon again before too long, so things keep moving at quite a pace. With best wishes,

Yours truly,

Laura Gilpin
