Dear Ms. Gilpin:

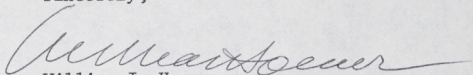

The University of Delaware and Delaware Art Museum, Wilmington, are preparing a major retrospective exhibition of the photographic work of Clarence White. It will be held at the Delaware Art Museum late in the spring of 1977. We will publish a substantial illustrated catalogue to accompany the exhibition, which has received support from the National Endowment for the Arts.

In this connection, I would like to ask whether you would write me a letter giving me your recollections, informally, of Clarence White. We are interested in personal views of his teaching and character. Anything you might wish to say, no matter how minor it might seem, would be useful to us.

Also, if you can give me names of students of White who are living, with addresses if you know them, I would be very grateful.

We are looking forward to a successful exhibition and an informative catalogue. Your help in this project will be greatly appreciated.

Sincerely,

William I. Homer
Chairman
