Dear Laura,

Of course you have had so many honors ~~that~~ it wouldn't mean anything to you but I was pleased to have a Focus show mentioned as one of the outstanding shows of the year here (as indeed it was)..that is your show last March...so thought I would forward the clipping.

We certainly had a big month here in November with the 10th anniversary show..also December with a show of Leland Rice's photography collection. This month with three British photographers it is much more quiet..and I must say it is good to be able to get a little more work done. Hope this finds you well,

All best,

Helen Johnston
