Dear Ms. Gilpin,

Following up phone call want to say again how much
am looking forward to your show at Focus as I am sure are
many more here.

The dates are March 2 through 27 which is now right
here..so hope you won't be inconvenienced with darkroom
problems and the reconstruction you mentioned..always
upsetting I know.

As I understand it United Parcel doesn't go to
New Mexico (and that is how we like to ship prints).
But most recently we had from New Mexico Ann Noggle..
and she shipped via Santa Fe Railroad package express..
and it was fast. We picked it up at their terminal here.

I forgot to ask you what mat sizes you use so we
can have the glass all cleaned and ready.

We are printing a simple announcement as always
..that is no pictures.. maybe that's why we are still
here after nine years...No this year is our 10th anniversary.
I think only Carl Siembab in Boston and Quivira in
Albuquerque is older.

We have lots of space so can hang all the prints
you will be able to send us.

Best,

Helene Johnston
