Dear Laura,

Have been worried that I've not heard whether or not your prints reached you in good condition. I know I packed them carefully but I didn't put the nails in the boxes. Please let me know about this.

Hope making that silver print "San Idelfonse Potters" from the platinum is not too much of a problem. It can't help but be beautiful as a silver as well as the platinum. Robert Shimshak, the buyer, is a doctor and an enthusiastic collector..but mostly of vintage prints.

Hope this finds you well and getting straight in your new quarters.

Best,

Helen
