Dear Laura,

It was so nice to hear your voice and appreciated your call about Imogen. There has been no funeral or services of any kind for her. However tomorrow in Speedway Meadows at Golden Gate Park there is going to be an all day (11 A.M. to 7 P.M.)picnic in her memory with all friends and fans bringing their own lunch, cameras, etc...but no speeches or program of any kind. I will let you know how it works out.

Have had an order for two more of your prints. And am wondering if you could send them. These are San Idelfonse Potters, 1925 in silver (like the one you last sent) and Ranchos de Taos Church, 1930 in silver ..(we had it in show) both the same size as the show prints you sent us...that is they were both priced at 100.00 at the time. Hope all is well with you..am getting ready to close the gallery during August but will be here and out and in.

Best,

Helen
