Dear Laura,

We have no prints here that were not sold. Here is the list of the prints sold and checks in the amounts of 1,466.66 and 66.67 were sent after the show closed.

The reason that some were still here is that I sent the checks to you at the time even though I had not been paid for the prints. In the case of the last print that I called about..Mrs. Pravada had paid for it but had not picked it up. Please let me know if you would like to make any corrections and changes. I think the only one I would be able to make a substitute for now would be the last one..for the other prints were picked up quite awhile ago.

Still not paid for are the two forthcoming prints and transportation on the "San Idelfonse Potters" in silver which was ordered during the show but sent later.

I do hope you feel alright about the print sales. Please let me know anything I can do to correct any mistakes I might have made.

Now busy with the 10th anniversary show..can hardly believe its been ten years!

Best,

Helen
