Dear Laura,

This is a much belated small check to cover cost of shipping that last print.

Don't asked me why people didn't order these prints while your show was on the wall. Maybe I should just say no. Anyway since you said you were sending two prints..later ordered..I wonder if you would mind including a third print.

The third print is the Indian family sitting in the covered wagon (page 21 of the Enduring Navajo) in the 100.00 size if indeed that is still the price.

The 10th Anniversary exhibition and party were planned as a promotion for the gallery but turned out to be a sort of combination birthday, funeral and wedding celebration complete with gifts and flowers!

Hope this finds you well,

With thanks,

HELEN JOHNSTON
