Dear Laura,

What a relief to learn that the prints had not been lost in the mail! That is one thing less to worry about!

I have problems with my records and files and I always pray that everything will remain in order but it doesn't always do so.

The prints arrived in good condition and I am sure the new owners will be happy with them.

The gallery is fairly quiet with everyone busy shopping but I seem to be more busy than ever. Am looking forward to a three day weekend over Christmas.

Am enclosing new check for the three prints taking out our commission and adding on postage and thank you again for sending them.

Hope you have a happy holiday..

Best,

Helen Johnston
