Dear Miss Gilpin:

Thank you so much for your kind letter. I look forward to receiving your picture for use in our book. I must clear up one misunderstanding. Mr. Snyder the editor and publisher was once with Time-Life in fact he started the Library of Photography for that company. In this instance, he will publish the book himself and Harper & Row will distribute it. The publication has therefore, nothing to do with Time-Life.

I look forward to seeing your picture and I know that I shall call you with further questions when the time comes to write your entry. I thank you in advance.

Sincerely yours,

Carole Kismaric
