Dear Laura

Greetings. Here's hoping you're feeling grand. I think of you so often, with appreciation, admiration, and many happy memories.

Great excitement when our Sue, who lives near Dayton, read of your Dayton show — she made xerox copies of 2 articles about you and I'm sending them to friends and relations. I expect you already have copies, but I'll send these just in case. Carolyn Leach, who so enjoyed meeting you when we were in Santa Fe several years ago, says "let's go see Laura's show" when she gets back from Florida. Hope we can.

Since mid-Jan I've been working 4½ hrs 4 days a week helping care for a 90 yr old lady. At home with her are 2 middle-aged? daughters & an older son, all mentally retarded.

So Jim suggests I must feel right at home. Sometimes, when Mrs. Walsh is lucid, her humor sparkles.

Early in Feb we made a short visit with Warren and his family. He is feeling so much better since his cataract operations and is still busy as engineer for city of Ft. Lauderdale. Tony & Suzy had a good visit in Ireland last summer.

Spring is bursting so fast - reminds me of Colorado. Everything seems ahead of time - or am I just slower?

All best wishes
with love,
Morie
