Dear Ms. Gilpin:

This letter is in appreciation for your having donated one of your large photographs of San Ildefonso Corn Dance. This photograph was on view at the Pojoaque bank. The bank personnel will truly miss it, but will be an asset to our new museum at San Ildefonso. We will be able to show it to the public during exhibition shows in the future years to come.

I would appreciate you giving us an appraised value for the Corn Dance photograph, if possible, for future museum inventory purposes. We would also appreciate, again, if possible, a date on the photograph for our future reference.

We sincerely thank you for your help.

Sincerely,

James R. Martinez
Governor, San Ildefonso Pueblo
