Dear Laura —

I have had your name
from your appearance
on a T.V. program, I
have the letters FOKB.
Perhaps this was the
T.V. program that carried
your T.V. Clean-up program.
And you being a
photographer, I hope
you were able to meet
some of your goals.

I am trying to help with
this "bad situation" on T.V. also.

Good luck —
