Dear Miss Gilpin,

We all enjoyed the visit to your studio immensely. Friday night, November 12th, we are having a buffet supper for all members of the tour and their spouses. We only wish that you could be with us.

Small
Your four prints arrived safely. The package was extremely packed and everything came through without any damage. I have not yet received a statement from the studio and did not inquire the total cost including packing and shipping. I will be glad to send a check upon receipt of the statement.

The three of us who sat next to and opposite you greatly enjoyed visiting with you during the dinner. It was a most delightful climax to our tour.

Warmest regards and all best wishes.

Sincerely,

David H. McAlpin
