Dear Miss Gilpin:

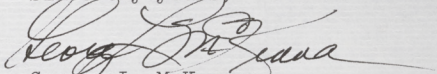

One of our visitors would like to obtain a print of one of your photographs in the exhibition of your work circulated by the Western Association of Art Museums that is currently on view here.

The photograph is No. 1066, "Rio Grande Yields its Surplus to the Sea", \$150.00.

As the purchaser is a collector of photographs, he would appreciate it if you would make the print yourself and, of course, sign it.

The staff and the public are enjoying the exhibition, and we are very pleased to have it at the Gallery.

Sincerely yours,

George L. McKenna
Registrar; and Assoc.
Curator of Prints
