Dear Miss Gilpin:

For a dissertation and book I am writing about Gertrude Kasebier I am very eager to know your recollections of her. I have been able to learn a great deal about her early years as a photographer, and am now anxious to know about her influence on younger photographers.

I wrote to you some while back mentioning my interest in Kasebier, and expressing a wish to see copies of your letters from Mrs. Kasebier, but have received no reply. If it is more convenient to talk on the phone than to write, I will be happy to phone you.

With thanks for your assistance,

Sincerely yours,

Barbara L. Michaels
