Dear Lara;

Enclosed are two copies of assignment/release forms for the video-tape we produced of you. The finished tape runs about an hour and forty-five minutes in its edited form. Please sign both copies of the release and keep one and return one to us as soon as possible. Harold Jones at the University of Arizona has ordered a copy of the tape for his archives and we cannot release his copy to him or send you your copy until the release is signed.

It has been a pleasure looking at you all these days in the editing room and we hope that you are in good health and busily engaged with your Guggenhiem and your gallery and book. We are totally immersed in the tapes and our own creative work ourselves. Have a good holiday season.

Sincerely,

Rosella Felsenfeld
