Dear Ms. Gilpin:

Thank you for contacting Pfizer, Inc. regarding your interest in obtaining small quantities of Ferric Oxalate. As you indicate, the quantities involved are small however, the only source of this material I am aware of is Heico, Inc. Delaware Water Gap, Pa. 18327.

I have contacted Mr. Dan Ingrahm at Heico regarding your interest and directed your letter to his attention. You may wish to contact Heico, Inc. in the future.

We appreciate your contacting Pfizer, Inc. and our congratulations on your Guggenheim Foundation grant.

Very truly yours,
