Dear Ms. Gilpin:

Now that we are doing the final editing of the Georgia O'Keeffe documentary, we are requesting the necessary written permission for the photographs we received from you.

Enclosed please find a copy of the standard WNET/13 release form which lists those of your photographs which may be included in the Georgia O'Keeffe film. As soon as the fine-cut of the film has been made, a final list of the photographs included will be sent to you and the appropriate remuneration will be forwarded. Please sign and return to us one copy of the release and keep the other for your files.

We would like to thank you for your patience in allowing us to keep the photographs for such a long time. Please be assured that good care is being taken with them and they will be returned to you in excellent condition after the Christmas holidays.

Sincerely,

Catherine Tatge
