Dear Ms. Gilpin:

I am writing on behalf of the Jonathan Edwards College Arts Committee concerning "The Aspens," a print of which we received from you last spring. After going through our own records and consulting James Burke, Curator of the Prints and Drawings in the Yale Art Gallery, it appears that we have not yet paid for this photograph. Mr. Burke's records show that the cost is \$75, however the Arts Committee must have a bill from you before payment can be made. Therefore, please send a bill for "The Aspens" to the Jonathan Edwards College Arts Committee, in care of me, at the address below.

Thank you very much.

Sincerely,

Nancy Troy
