Dear Ms. Gilpin:

I called Western Association of Arts Museum today to find out about the rest of the schedule of your exhibit, since they have seemed rather haphazard about getting that information to us.

As it stands now, the schedule from June 1976 is:

7/1/76 - 7/30/76	University of Wyoming; Laramie, Wyoming
8/1/76 - 8/30/76	University of Kansas; Lawrence, Kansas
10/1/76 - 10/30/76	Albrecht Art Museum; St. Louis, Missouri
11/1/76 - 12/15/76	Vassar College; Poughkeepsie, New York
3/1/77 - 3/30/77	Mesa College; Grand Junction, Arizona
6/1/77 - 6/30/77	Laguna Gloria Art Museum; Austin, Texas

According to Kerry Marshall, who I spoke to about the schedule, there will probably be some others in between Vassar and Mesa College and between the latter and Laguna Gloria. When other places are scheduled, he promised to send the names to me, however, I am certain that he will forget. Also, he said there were many requests and that they had to turn down quite a few.

Incidentally, if you have not received a \$250 check from the state for the Tesuque print, please let me know, so I can, once again, go out and duel with the fiscal forces of our state bureaucracy.

Respectfully,

Michael J. Warner
