Dear Miss Gilpin:

Thank you very very much for all the help you gave Bonnie Levinson on her recent trip west. I greatly appreciate you giving her so much of your time and for making available some of your photographs for possible use in the Native Americans Learning Center.

Bonnie will be in touch with you about any materials we may be needing. We will of course reimburse you for any duplicating costs and give you a credit line.

Again, thank you so much for being so generous. I am enclosing a newsletter from the Native Americans Program last year, along with a more recent press release on the Festival.

Sincerely yours,

Abby Watkins
