Dear Photographer:

The Photographic Print Collector's Handbook will include a brief biography for you as well as reproducing your photograph. In order to keep the book as accurate as possible, it would be helpful if you could send us a biography including the following information:

Date and place of birth

Any background information that you feel is important, e.g., teachers, major influences, related interests, etc.

Media - silver prints, dye transfer, SX-70, cyanotype, collage...or?

Collections - Museums, Libraries, Schools or other Institutions. List approximate size of Collection if known.

Selected Bibliography

We would also like to include statements by the photographers that may be more valid than those that appear in existing books. If you wish to include a statement about your work, we would be pleased to receive it.

Please confirm or correct the title of the photograph as it appears on the enclosed postcard and return it to us. Thank you for your help.

Yours sincerely,

*Lee D. Witkin*
