Dear Ms. Gilpin:

I was delighted to hear from Bob Saam that you will be able to come and address our school community at the 11:00 o'clock assembly on October 4. As a newcomer to Santa Fe, I have been eager to meet you and to learn more of your work. It will be a special privilege to welcome you here. I hope you will accept the modest honorarium of fifty dollars.

Please do not hesitate to let us know of any setups that would facilitate your presentation, either by phoning Bob Saam or me.

Best wishes,
