Dear Laura Gilpin,

Enclosed you will find the words for your part of the exhibition. We have followed the transcripts as closely as possible, but there are often statements which have been pulled together from different parts of the interview. Please check it over and revise or rewrite it in anyway you feel is more appropriate or accurate.

Occasionally there are third person statements made in your part of the show. These are indicated by brackets and, in the show, will be distinguished by different type. You, of course, may make corrections to them if you wish.

Please check over the biographical sketch of your career and correct it or revise it if you wish to change the emphasis.

Also please indicate your social security number when you return the materials. We need it in order to send the second half of your fee as a participant (\$250.00).

Please return all these materials at your earliest convenience in the enclosed envelope. We need it very soon.

Thank you for your time and patience,

P.S. Laura, since we are running late on this material if you would please o.k. it this week and return it by Oct. 1 we would greatly appreciate it, Thank you again!
