Dear Miss Gilpin:

Thank you very much for your generous gift to the College in memory of Agnes Donaldson.

We shall be glad to credit your gift to the Library for the purchase of books in Miss Donaldson's name. I am giving your note to our librarian, George Fagan, for his guidance. I know he will be pleased at your plan to inscribe the books when you are in Colorado Springs.

Agnes Donaldson was a wonderful person and a staunch friend of Colorado College. We are grateful that her name will be commemorated on the campus through memorial gifts such as yours.

Sincerely,

W. R. Brossman
Vice President
and General Secretary
