Dear Laura Gilpin,

This is just a short note to let you know that we have an exhibition up now in our main galleries of photographs from the permanent collection.....quite a large show of our best pieces, and it includes all the work which we purchased from you! We have had many comments on the exhibition, and it includes a great range of the collection, from big names to many younger artists not so well known. And, I am pleased to say that there are several photographers in the show who are not very well known to the Eastern audience.

I should also say that the very beautiful gum print by Gertrude Kasebier which you sold us is in the show, and has aroused much interest on the part of some of ~~you~~ our photography ~~instructors~~ instructors in the Yale Art School. They are making platinum prints and gum prints now, so are very happy to see Kasebier as well as your work.

I hope this finds you in fine fettle, and I hope your new work on the Canyon de Chelle is going well.

Very best regards,

Jim Burke
