Dear Ms. Morales:

I wanted to let you know I received the prints and that I am very grateful indeed for your help. I was wondering however, if it would be possible to obtain a couple more landscapes? From the Enduring Navaho book, in particular, they are:

"Sunrise Over the Desert," page 62
"Canyon de Chelly From the Air," page 110
"After a Rain in Canyon de Chelly," page 116
"Canyon del Muerto," page 117

Although it has been used before, I would still like to include, "Red Rock Trading Post," if possible.

I also want to thank you for holding the group of prints for our consideration. I hope it would not be asking too much if we could wait to discuss them until I'm there after Christmas.

I agree that it would be better to discuss Laura's plans at a later date and look forward to seeing both of you then. Please accept my best wishes for a happy holiday season.

Cordially,

Jon M. Burris
Director of Photography
