

Program Date: (repeat)
12/16/77; 6:30 PM Sept. 1, 1977
Sunport

Dear Laura -

The program chairman
for our Pan-American
Roundtable just called to
say how thrilled the
Board was with the
prospect of your slide-
lecture on "Temples in
Yucatan": (the title for the
year-book listing). I
plan to order a stack of
copies of the book to be
available for purchase
(and autographing!) at
the meeting. The date is
December 16th, Friday, at
6:30 PM at the Sunport.

It is a dinner meeting,
and we expect husbands
and guests to join us.

Please let me know
what time you will
arrive, if you can spend
the night with me or
would you prefer our
getting a motel room
for you and driver (at
our expense, of course).

I repeat, everyone is
truly excited over your
gracious acceptance of
our request!

Love to you!

Ann
