Dear Ms. Gilpin,

Thank you so very much for sending the photograph of Ship Rock. I hope that you have recovered from your bout with tooth troubles. I didn't want to call and disturb you again while you were recuperating.

Would it be possible for us to also use your early photo of Ship Rock, the one you mentioned which had some Navajo Indians and sheep in the foreground? I am very eager to print both of them, and we would, of course, pay you for both. I hope that we can persuade you to let us use the early shot, too, if it is available. We would not need to have it for about two weeks.

I'll call you next week to find out about the photo. Meanwhile thank you so much for sending the one, and hope that you are feeling better.

My best regards,

Karen Evans
