Dear Miss Gilpin,

When we chatted briefly on Friday about getting the 1936 photo of Ship Rock with the Navajos and sheep in the foreground, It occurred to me that it might be helpful if I sent a self-addressed stamped envelope to you.

I feel that we've bothered you a lot, but we are so eager to publish your photos in Outside. We're looking forward to receiving the second photo, and I promise you that we will take good care of the prints and return them to you promptly after publication.

Thanks again.

Best regards,

Karen Evans

P.S. Here's a new issue of our magazine.
