

Outside

December 20, 1977

Dear Ms. Gilpin,

I'm enclosing a copy of our magazine with your photos of Ship Rock in it (page 13). Thank you, again, for all the help you gave us. We were extremely happy to be able to use the photos. Please let us know if you have any other photographs which you feel might lend themselves to 'Outside,' and have a very merry Christmas and a happy, healthy and productive 1978.

Best wishes,

Karen Evans
