Dear Mr. Bishop;

A whole year has gone by since I had that nice visit in your studio. Much has happened to me during this time, some good and some not so good. But I do want to know your price on 5 x 7 prints of #4, which is the negative I like the best. I think it is very difficult to judge one's own portrait and I am giving you the choice of friends of mine. Please let me know the cost of half a dozen prints. You may send them unmounted, as I have a nice work-room and two competent workers to make cut-outs for me. But I do want your signature under the print as you sent it to me and then we will add a cut-out. Please forgive my long delay and it doesn't seem possible that a whole year has gone by. I have not heard from Bill Garnett in all this time, and hope that all goes well with him. With best wishes,

Sincerely yours,

Laura Gilpin
