Dear Mrs. Clayton;

Thank you very much for your kind letter to Miss Gilpin requesting her to speak at your monthly meeting of the Santa Fe Press Club, on the day of May 27. She has asked me to extend her thanks to you and also her regrets that she is unable to come. As you may know, this past winter she was in the hospital and is still slowly recovering from this; she has also been deeply involved in readying several exhibits which take a great deal of her time, and more important, her energy. We hope that she will be able to come and speak to your group and that at a later date we might arrange a time. Thank you again for your interest.

Sincerely,

Sina Brush-Morales
