Mr. John Humphrey
Director
San Francisco Museum of Art
San Francisco, California

Dear Mr. Humphrey;

Thankyou very much for your letter. I feel
very badly about

Margery Mann. It is a
great loss to the photographic world. I
like to think of the nice little lunch we
had with Mrs. Johnston when I was in
San Francisco.

I will be mailing you, in the next few days,
a print in memory of Margery Mann. And, while
it is not a platinum print, at least it is a
good silver print of the print which was in the
exhibition which Margery and Anne Noggle planned.

I hope all goes well with you in San Francisco,
and I hope that I will be able to get over to
San Francisco before too long. With best wishes,

Very truly yours, "Mincetown from the Seaside"
