Dear Miss Melin;

Miss Gilpin has asked me to write concerning the traveling exhibition of her work which you have been routeing. She would like very much to have the prints sent directly to her at the above address, rather than to the museum first. It will save a great deal of confusion and extra labor for her arranging for them to be brought here, rather than going to Fine Arts. It is of course, early to be making this request, as the show still has several months to go, but she preferred to ask now, so if you need to make any arrangements to handle it in this manner, it won't have to be done at the last minute. Thank you very much for your co-operation throughout the arrangement of this show.

Sincerely,

Sina Brush-Morales
