Dr. Dean A. Porter
Director
Art Gallery
University of Notre Dame
Notre Dame, Indiana 46556

Dear Dr. Porter;

I am very sorry to take so long in answering your letter, but I have been recently in the hospital and am just now recovering and catching up on past correspondence. I have been delayed by a great deal of work and several exhibitions, but I do hope to make your prints before too long and will send them as quickly as they are completed.

Very truly yours,

Laura Gilpin
