Dear Mr. Reynolds;

Thank you very much for your telephone call about the potassium chloroplatinite. I told you on the phone I would take 2 grams at \$70.00 each, and on thinking it over, I might just as well take 3, as I have a lot of work coming up. So I enclose my check for \$210.00 and if you are successful in getting the large quantity with a somewhat reduced price, let me know. Thank you very much indeed for remembering me and you will be hearing again from me soon.

Very truly yours,

Laura Gilpin
