Dear Miss Riedell;

Thank you for your inquiry and I appreciate your interest in my photographs. I do not know if you saw my exhibition at the Focus Gallery, in San Francisco last March. It sounds as though you have been looking at my Navaho book. Some of these prints were shown there at the Focus Gallery. You might stop in and see Mrs. Johnston and talk it over with her. My prices are set by Lee Witkin Gallery in New York and my top quality prints are \$100 for 8 x 10, \$150 for 11 x 14, and \$200 for 16 x 20. I will be glad to hear from you further or perhaps a copy of the book would suffice for your particular interest.

Very truly yours,

Laura Gilpin
