Dear Mrs. Spiritus;

Thankyou for the check for \$50.00 for the books. As to your request about a show in the summer of 1978, I would be better able to say if I knew how many prints you were wishing to have for it. If you will let me know more on this, then I can say more definitely what I might be able to do. Thank you for your interest.

Very truly yours,

Laura Gilpin
