Dear Mrs. Spiritus;

Thank you very much for your last letter regarding the three photographs for your client who purchased the "Navaho Covered Wagon". As I do not have duplicates of these prints on hand I would have to make these and it will be a little while before I can get to it. It would be impossible for me to give any further discount than the 40% which I give to galleries. The time involved and the cost of materials makes this impossible.

When I see my way clear to get a possible 50 print show together, I will advise you.

Very truly yours,

Laura Gilpin
