Dear Mrs. Spiritus;

At this time, we are notifying all the galleries that have handled Miss Gilpin's work in the past that work will no longer be available on consignment. Miss Gilpin's health has not permitted her to do any work for sometime, and until she is printing again, we are keeping her work here.

You may buy prints from Lee Witkin in New York, or a few may be purchased from us; however, the dealer discount is no longer in affect. Thankyou very much for your previous interest and sale of Miss Gilpin's photographs during the past.

Sincerely,

Sina Brush-Morales

Dear Mrs. Spiritus;

We are notifying all the galleries at this time that have handled Miss Gilpin's work in the past, that work will no longer be available for consignment. Due to Miss Gilpin's health, she has not been able to print in sometime, and probably will do little for sometime in the future.
