Dear Mrs. Tucker;

It was very nice indeed, to see you here again and I am sorry that I was away the second time that you came. We will have your print packed and ready to ship by the 25th. I have a print of "Apple Blossoms" which is available, if you wish it. The surface of the "Narcissus" print somehow met with an accident and I do not feel that I could sell it. I may be making a few more of these in the next few months and will let you know if I do. I am sorry about the misunderstanding on the print of the "Roses". I knew there had been two prints and I had forgotten that the second one went to the Center for Creative Photography in Tucson. Trusting that everything reaches you in good order.

Very sincerely yours,

Laura Gilpin
