Dear Mithun:

First, this is by way of thanking you for the check for \$1440.00 for the prints you purchased when you were here. I still have 2 or 3 prints to make for you to complete the order and these will follow, I hope, in the very near future. One thing I did want to tell you is that I never made any definite deal with Dr. Dockstader about any of my negatives, so that is out of the question. This leaves three places for me to consider for my material, should it be desired, and you are certainly number 1 on the list. While I have reservations about the Creative Center in Tucson and also about the University in Albuquerque, I have been considering the latter, as the bulk of my material is related to New Mexico. But still, the proper use and proper care is, to me, of primary importance. So I am just mentioning this to you now and when my cousin Lewis Allen comes out again, I will talk it over with him. There is also my Retrospective Show, which Lewis Allen requested me to keep together, that is still on tour and will end in July in Austin. I have been approached in a round-about way through George Ewing that the Laguna-Gloria Art Museum may invite me down for the opening of the exhibition on the 16th of June. If this comes about, I hope I can stop off and see your new wing and everything that is going on at Amon Carter.
