Dear Miss Wille;

Thank you very much for your letter of February 20 to Miss Gilpin regarding the possibility of an interview in the near future. She has asked me to extend her best wishes to you, but regrets that she is unable to grant any interviews for some time. Last year was filled with interviews, published and unpublished and she feels that everything that could possibly be done has been done. She has also had a bad winter with several illnesses and one stay in the hospital which has left her tired and at this time unable to do the many things that she would like to do. I regret that she cannot make a date with you, but at this time it is not possible. Thank you very much for your interest and enthusiasm in Miss Gilpin and her work.

Very truly yours,

Sina Brush-Morales
